### 6.4 WORCESTER COUNTY COUNCILLOR'S REPORT – CLLR K POLLOCK

Cllr Pollock delivered his report [**Attached Appendix A**].

#### Questions/Comments from Councillors

Cllr Weston queried whether Cllr Pollock could confirm that the car park would be left tidy and the tarmac smoothed over once the household recycling site had moved. Cllr Weston asked what materials could be recycled and Cllr Pollock confirmed that the site would be returned into a decent state for the extra spaces and that all acceptable material would be able to be recycled.

### 6.5 MALVERN HILLS DISTRICT COUNCILLOR'S REPORT – CLLR P GROVE

Cllr Grove mentioned the Governments Spending Review and stated that Malvern Hills District Council had had their grant reduced and therefore were required to find 1.9 million in savings. Currently Senior Management were being restructured with three members of staff leaving the Council as part of the restructure. He mentioned that the Council were required to provide 1<sup>st</sup> time buyer housing and the funding for this was being reviewed by Government and it was unclear at this stage what this would mean with regards to the planning for the Council.

A meeting regarding devolution was taking place in the New Year with the Minister to discuss how this would affect the 6 Districts and the infrastructure and business rates.

Cllr Grove stated that Caroline Palethorpe had won the seat at Malvern Hills District Council for the Teme Valley which was previously held by Cllr Gill Farmer who had sadly passed away.

### **Comments/Questions from Councillors**

Cllr Hudson asked about funding for social care and queried how the Council's budget would manage the cuts when more elderly people are being discharged from hospital to free up hospital beds and going into care. Cllr Grove stated that this was important to Malvern Hills District Council and that council tax would increase by 2% for 2016/2017 but there would still be a budget shortfall. Worcestershire County Council will discuss with local authorities the need to take up a 4% rise in council tax and would lobby for this.

Cllr Grove wished everyone in the meeting a Merry Christmas and Prosperous New Year.

#### **6.6 TO CONFIRM THE MINUTES OF THE MEETING OF THE TOWN COUNCIL HELD ON 2<sup>ND</sup> NOVEMBER 2015**

**The minutes of the meeting, held on the 2<sup>nd</sup> November 2015, were confirmed and signed by the Chairman as a true and correct record of proceedings.**

#### **6.7 TO RECEIVE THE MINUTES AND APPROVE THE RESOLUTIONS OF THE MEETINGS OF THE FACILITIES COMMITTEE HELD ON 21<sup>ST</sup> SEPTEMBER AND 9<sup>TH</sup> NOVEMBER, THE PLANNING COMMITTEE HELD ON 30<sup>TH</sup> NOVEMBER AND THE FINANCE AND STAFFING COMMITTEE HELD ON 30<sup>TH</sup> NOVEMBER 2015**

The minutes of the Facilities Committee, the Planning Committee and the Finance and Staffing Committee were received and resolutions approved.

#### **6.8 TO APPROVE THE MONTHLY ACCOUNTS FOR OCTOBER 2015 AND THE OUTSTANDING ACCOUNTS FOR NOVEMBER/DECEMBER 2015 AS RECOMMENDED BY THE FINANCE AND STAFFING COMMITTEE ON 30<sup>TH</sup> NOVEMBER 2015**

**RESOLVED that the Monthly Accounts be approved and the Outstanding Accounts be approved for payment. Appendix B**

#### **6.9 TO BE INFORMED OF WCC PLANS TO REDUCE THE HOURS OF BURNING OF SOME STREETLIGHTS IN THE TOWN**

Cllr Pollock stated that the idea of reducing hours of burning of some streetlights in the town was to save money and reduce carbon admissions.

He explained that two out of every three lights in the town would be switched off between the hours of midnight and 6.00 am but major routes and important junctions were excluded from the scheme in the interests of road safety. He stated that in some other areas, there had been concern expressed by residents about the safety of this scheme and others had been concerned about road safety. He stated that the County was reassured by the police's evidence that there was not an increase in crime and vandalism. He asked the Councillors to look at the map and to make any suggestions/comments as necessary.

#### **Questions/Comments from Councillors**

Cllr Rogers expressed concern regarding residents whom may walk to work [shift workers], during the hours of midnight and 6.00 am with reduced lighting in particular at Pembroke Avenue and Berrington Road. She considered it a long way to walk from these two streets down to Teme Street with reduced lighting. She suggested that there should be less lights on in Church Street, Market Square and Cross Street and more left on in the two areas of Pembroke Avenue and Berrington Road. She considered it very hard to make a judgement by just looking at a map, and considered it would be a good idea to walk around these areas when the lighting had been reduced to make a better judgement.

Cllr Drummond queried how much savings this would generate for Worcester County Council with the street lighting reduction. Cllr Pollock stated that this would generate £600,000 per year savings.

Cllr Hudson suggested that there should be less lights on in Teme Street and Church Street but the Bromyard Road which is the main route into the town, should have sufficient lighting for motorists to drive safely. Cllr Pollock stated that this should not be an issue as motorists would use their headlights along that stretch of road. Cllr Hudson indicated that he did not agree with this.

Cllr Fielder stated that there were many lights on the map which were not marked and suggested that more lights should be switched off in Market Square particularly.

Cllr Drummond suggested that there should be more cats eyes on the stretch of road of Oldwood Road from the High School to The Fountain Public House. Cllr Pollock said he would make a note of this.

#### **6.10 TO APPROVE THE DESIGN AND AGREE PURCHASE COST FOR COUNCIL BADGES OF OFFICE**

Cllr Drummond confirmed that she had received details of the design for the badges of office, but had suggested that the design of the Tenbury Town Council logo should be resized in a creative way.

**This item was deferred to the next meeting of the Town Council on the 4<sup>th</sup> January 2016 for further consideration of the design.**

**6.11 TO NOTE THE USE OF DELEGATED POWERS TO APPOINT THE ASSISTANT CLERK**

Members noted that delegated powers had been used as approved.

**6.12 TO BE UPDATED ON THE MEETINGS CALENDAR FOR 2016 WITH ONE MEETING BEING HELD AT ST MICHAEL'S VILLAGE HALL**

It was agreed that the Town Council meeting at St Michael's Village Hall should be in March 2016. Schedule attached Appendix C.

**6.13 TO BE UPDATED ON PROGRESS WITH THE ANTI-DOG FOULING CAMPAIGN AND THE CLEAN FOR THE QUEEN INITIATIVE IN 2016**

The Mayor Cllr Willis had circulated an update to members prior to the meeting. The Mayor stated a proposal had been put to Malvern Hills District Council to obtain relevant legislation which would require people walking their dogs to keep them on leads at all times in Palmers Meadow. Mayor Cllr Willis confirmed that there was a camera in the town which will catch offenders. There did seem to be a slight improvement on the streets but there had been no improvement on the Burgage. There had been three incidences of dog fouling on Palmers Meadow.

Cllr Perry stated that she had spoken with representatives of the Scouts and Brownies whom were willing to support the Clean for the Queen initiative, being run by 'Keep Britain Tidy' for the Queen's Birthday Celebrations in 2016. Cllr Perry was also going to meet with the local schools to gain their support and would be organising a co-ordinated campaign for March 2016.

**6.14 TO RECEIVE AN UPDATE ON THE REGAL AND ITS MANAGEMENT BY THE REGAL TENBURY TRUST**

Attached Appendix D

Mr Little referred to his report which was presented at the meeting. He confirmed that the Blockbuster "Transporter Refuelled" has not been a success with limited take-up. He reported however, that the Tenbury Pantomime had been well received with the early shows already booked. There were some tickets available for the New Year shows. Mr Little confirmed that volunteers were needed particularly over the Christmas period.

**6.15 CORRESPONDENCE FOR INFORMATION**

The Town Clerk stated that she had received some information from Malvern Hills District Council regarding workshops on Neighbourhood Planning.

There were two dates available which were 25<sup>th</sup> January 2016 from 2.00 pm–4.00 pm and 28<sup>th</sup> January 2016 from 6.00 pm – 8.00 pm. The Town Clerk confirmed that she had booked two places for each session and asked for those Councillors interested in attending one of the workshops to let her know before the 4<sup>th</sup> January 2016.

**6.16 COUNCILLORS' REPORTS AND ITEMS FOR FUTURE AGENDA**

None.

**6.17 EXCLUSION OF PRESS AND PUBLIC**

To pass a resolution that the press and public be excluded from the meeting during consideration of the following items of business because it is likely that in view of the nature of the business to be transacted, there would be disclosure of exempt information, as defined in Section 100(I) of the Local Government Act 1972:-

**6.18 TO CONSIDER THE APPOINTMENT OF NEIGHBOURHOOD PLANNING CONSULTANTS AS RECOMMENDED BY THE PLANNING COMMITTEE ON 30<sup>TH</sup> NOVEMBER 2015**

Cllr Weston stated that three consultants had provided quotations but only two had been asked for interview, Cllrs Weston, Drummond the Mayor and the Town Clerk had formed the interview panel and it had been unanimously agreed that Kirkwells were the best fit as they had experience in producing a Neighbourhood Plan for Little Hereford, Brimfield and Leominster.

Cllr Weston therefore proposed that Kirkwells be appointed.

**RESOLVED [10 FOR, 1 ABSTENTION] that Kirkwells be appointed as the Consultants for Tenbury Town Council in taking the Neighbourhood Plan forward.**

**COUNTY COUNCILLOR REPORT****1. Household Recycling Centre**

A small group representing the Town Council visited the HRC site a couple of weeks ago and saw the good progress made on the site. There have been delay, it seems and this means that the work will now not be completed by the end of January as anticipated. The latest date appears to be around the middle of March, but I hope some of the lost time can be made up.

It was made clear that there needed to be a smooth transition between the existing site and the new one, and that appropriate remedial works will be carried out on the car park, to return it to a decent state for the extra spaces.

**2. Street lighting**

In common with the rest of the County, Tenbury will soon be subject to the partial night time switching off of street lights. This will take place between midnight and 06.00am and affect two out of every three lights in the town. Major routes and important junctions are excluded from the scheme in the interests of road safety.

In other areas, there has been concern expressed about the safety of citizens under this scheme and others have been concerned about road safety. The County is reassured by the police's evidence that neither of these perceptions is upheld in practice. On the other hand, the County is willing to examine any concerns felt by residents once the scheme is in place.

Plans showing the lights that will be affected have been with the Council for two weeks and I am keen to relay any responses to the officers, so the details and the timetable can be confirmed. It should be applied some time in January.

**3. Broadband**

Many of you will have noticed the new green cabinet being installed by BT alongside the existing one in Teme Street. I regret the time taken and disruption caused, as they both seem excessive.

The cabinet is to facilitate superfast broadband, which should become available to subscribers in the near future, giving speeds in excess of 24Mbps. Phone communications will reach the cabinet using fibre and the cabinet then links to the existing one that uses copper wires to reach all the downstream premises.

At such time as the cabinet goes live, it will be necessary for all subscribers who wish to take part to register with BT or their provider, to reach the service. It is not like having a new water or gas main fitted where everyone benefits immediately it is installed.

**4. Mistletoe Festival**

I would like to thank all those involved with the organisation of the Mistletoe Festival on Saturday. It seemed to me to go very well and involve a lot of people, especially the young in a range of

excellent events. May I particularly congratulate Lindridge Primary School for winning the singing competition, and the Mayor and his colleagues for their judging skills.

Thanks should also be extended to Caroline Palethorpe and her team for their efforts in putting Tenbury on the map with this project. I would also like to congratulate for her success in the election for a new District Councillor for the Teme Valley, following the sad loss of Gill Farmer.

A good month overall with only three films making a loss. One a supposed blockbuster that completely failed to deliver.

We had a good audience for Raymond Froggatt and for GAGA, reversing the recent trend for live shows. Our live Children's show staged after the Christmas Lights switch on was also well received. The Tenbury Floral Club's Christmas Show was another successful evening.

We also staged three performances of a Dance show with a cast of 165 children. This was a fantastic success and we hope they will book their next show with us.

We have seen a marked increase in school visits, with Tenbury Ormiston Academy seeing Of Mice and Men, Orleton Primary and Bayton Primary seeing Hotel Transylvania 2 and Luston seeing Polar Express.

We have now completed most of the wiring infrastructure improvements, which will be utilised for future live shows, and especially for the Pantomime. The rehearsals for which are now fully underway. Ticket sales are still strong, but we do have plenty of tickets left for shows after Christmas.

We now enter our busiest period of the year and would like to thank all of our volunteers who will be giving up extra time during December and at Christmas to make the Regal and ongoing success.
