

Starting Well Partnership
EVERY CONTACT SHAPES A LIFE

Volunteering opportunities in the **Starting Well Partnership.**

If you are a parent/carer, grandparent, someone with parenting experience or you wish to pursue a career working with families, this could be the role for you.

Our volunteers bring invaluable skills and experience to our services and they are important team members. Volunteering could help you with preparing for employment, developing confidence and skills.

Start for Life Peer Supporters in Worcestershire

Our Start for Life Peer Supporters offer informal support to new parents starting as early as possible in pregnancy and up until the child is aged two. This takes places in the family home and community venues.

Through this role, volunteers will offer practical help and guidance and encourage families to use effectively the support and services available in their local community.
