

Have your say when the Residents' Survey returns next month

Have your say and influence council decisions by taking part in Malvern Hills District Council's Residents' Survey launching next month.

The annual survey will return on 1 September 2024 and will ask questions on a variety of different topics, including what people think of their local area and the services the council provides.

For the third year, residents who complete the survey will be able to enter a prize draw with £75 vouchers up for grabs to use at a local, independent restaurant or retailer in the area of their choice within the Malvern Hills District.

Housing target response

Proposed planning reforms may mean the SWDPR needs to be updated immediately after being adopted to meet increased government housing targets.

The Government's proposed method for calculating housing need would mean 2,152 homes a year will need to be built across districts by 2041.
